WEEK 5 · ASSESSMENT & RUBRIC

FROM POSSIBILITY TO OPPORTUNITY

WEEK 5

Criterion	4 · Strong Evidence	3 · Ready	2 · Developing	1 · Not Yet
Career/Pathway Exploration	Identifies multiple plausible pathways and explains why they are worth exploring.	Identifies at least one pathway with a basic reason.	Pathway is vague or unsupported.	No meaningful exploration evidence.
Initiative / Next Move	Defines a specific, realistic action with a person/place/time horizon.	Defines a usable next step.	Next step is vague or passive.	No next step.
Professional Communication	Opportunity ask is concise, authentic, specific, and respectful.	Ask is understandable and professional.	Ask needs clarity or specificity.	Unable to formulate an appropriate ask.
Relationship Building	Clearly treats networking as learning, curiosity, and reciprocal professional relationship-building.	Understands the purpose of an informational conversation.	Focus remains mostly on asking for a job/favor.	No evidence of relationship awareness.
Reflection + Evidence	Captures insight and clearly connects it to future action and Beyond the Game.	Captures learning and one application.	Reflection is general.	No usable evidence captured.

Recommended Evidence

- Completed Opportunity Map
- 30-second opportunity ask
- Former-athlete PRE / DURING / POST evidence
- Week 5 reflection
- Portfolio Artifact / Beyond the Game connection
