WHO I AM BECOMING — PRE-INTERNSHIP STATEMENT

Reflection · Evidence · Readiness · Goals · Next Chapter

ESSENTIAL QUESTION

Who am I becoming, what evidence proves my growth, and how do I want to show up in the next real-world experience?

THIS IS YOUR BEFORE SNAPSHOT

You are about to enter the January–April internship phase.

This is not your final story.

This is not your finished Capstone.

This captures who you are **before** the next major experience begins.

During the fall, you have explored:

- identity
- career possibilities
- money and decision-making
- workplaces
- professional communication
- resume evidence
- interviews
- speaking under pressure
- feedback
- life beyond athletics
- relationships
- mentorship
- reputation
- purpose

Now you will turn that learning into a clear starting point for what comes next.
