BUILD6™

WEEK 10 · Professional Curiosity + Business Literacy

Julie + Eric - Ask Better. Listen Better. Connect Better.

ASSESSMENT & RUBRIC

Use this rubric for observed practice, workbook evidence, reflection, and the weekly portfolio/capstone artifact.

Criterion	4 · Ready	3 · Developing	2 · Emerging	1 · Needs Support
Preparation & Participation	Prepared; fully engaged; uses time well.	Participates consistently; minor gaps.	Participates unevenly or needs prompting.	Limited participation or incomplete preparation.
Professional Judgment	Explains decisions and trade-offs with clear reasoning.	Usually makes defensible choices and can explain them.	Needs support connecting choices to consequences.	Choices are unclear, unsafe, unsupported or copied.
Communication	Clear, concise, professional and responsive to audience/feedback.	Generally clear and professional.	Inconsistent clarity, listening or tone.	Communication interferes with task or professionalism.
Application / Retry	Applies feedback immediately and shows measurable improvement.	Uses feedback with some improvement.	Acknowledges feedback but applies it inconsistently.	Does not yet apply feedback or retry meaningfully.
Evidence / Reflection	Specific evidence shows what happened, what changed and why it matters.	Evidence and reflection are complete but somewhat general.	Evidence is partial or reflection lacks specifics.	Evidence/ reflection missing or disconnected from learning.
Portfolio / Capstone Connection	Selects meaningful evidence and	Selects relevant evidence with	Evidence is weakly connected to	No usable connection or
