BUILD6™

WEEK 10 · Professional Curiosity + Business Literacy

Julie + Eric - Ask Better. Listen Better. Connect Better.

STUDENT WORKBOOK

Essential Question: What can I learn from a professional conversation that I cannot learn from a website?

Why this week matters: Enter a professional room prepared, understand how people and organizations create value, ask intelligent questions, listen for opportunity, and follow up.

Skills I Am Building

- Professional curiosity
- Active listening
- Question design
- Business literacy
- Professional introductions
- Relationship building
- Follow-up

MONDAY · Catch-Up + Curiosity Reset

Finish missing work and identify what you genuinely want to understand about work, business, or career paths.

What unfinished work needs attention?

_____

_____

_____

What do I genuinely want to understand better?

_____

_____

_____

What makes a professional conversation worth having?

_____

_____

_____

TUESDAY · Curiosity Lab

Practice a concise introduction, turn weak questions into strong questions, and use follow-ups based on what was actually said.

My 20-second professional introduction

_____

_____

_____

A weak question

_____

_____

_____

A stronger open-ended question

_____

_____

_____

Two natural follow-up questions

_____

_____

_____

WEDNESDAY • Julie + Eric Research + Question Design

Use only confirmed/public information available to class. Research their work, industry, problems solved, stakeholders and prepare 3-5 thoughtful questions.

Confirmed/public information

_____

_____

_____

Problems they/their organizations solve

_____

_____

_____

Customers / clients / members / partners / stakeholders

_____

_____

_____

My 3-5 thoughtful questions

_____

_____

_____

Midweek Reflection

Which question or follow-up showed the strongest curiosity today, and what made it stronger?

_____

_____

_____

_____

_____

THURSDAY · Live Professional Conversation

Listen for business problems, decisions, roles, unexpected career paths and opportunity clues. Ask at least one thoughtful question or follow-up.

Something that surprised me

_____

_____

_____

How they create value

_____

_____

_____

A role / idea / connection I want to explore

_____

_____

_____

The best follow-up question I asked or wish I asked

_____

_____

_____

FRIDAY • Thank-You + Connection Record

Complete missing work, write a professional thank-you/follow-up, and decide what or who to explore next.

My thank-you/follow-up message

_____

_____

_____

What surprised me most?

_____

_____

_____

Who/what should I stay connected to or explore next?

_____

_____

_____

Portfolio/capstone evidence

_____

_____

_____

Friday Reflection

What did I learn from Julie and Eric that I could not have learned from a website, and what will I do with that information?

_____

_____

_____

_____

_____

_____

Portfolio / Capstone Evidence

Professional Question Set + Julie & Eric Connection Record + Thank-You/Follow-Up
